Exam Statistics

2026

KING'S ELY

King's Ely students consistently achieve superb GCSE and A-Level results, which is reflected in the 2026 results of which we are immensely proud.

Head's Statement

Exam results mark an important milestone in every young person's educational journey, and we are extremely proud of all our pupils. These results represent years of commitment, hard work and perseverance, reflecting not only academic achievement but also the dedication of pupils and their teachers throughout their time at King's Ely.

Behind every result is an individual journey. GCSE and A-Level courses bring challenges and opportunities, pushing pupils beyond their comfort zones, sparking new passions and helping them develop the confidence and character to take their next steps. We are equally proud of the contribution our pupils have made to the wider life of our school community.

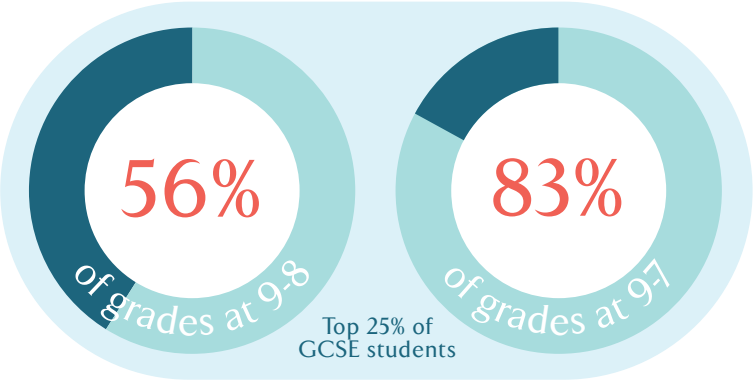

Whether progressing to university, apprenticeships, employment or other exciting opportunities, we congratulate every pupil on their achievements and wish them every success and happiness in the next stage of their journey. We look forward to seeing all that they will accomplish in the years ahead.

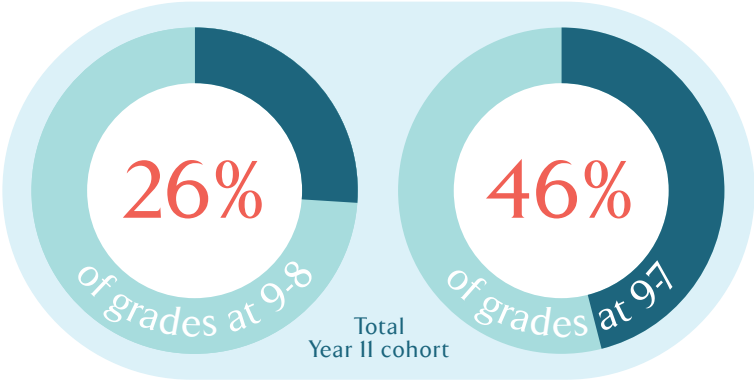

Jane Thomas

Head of King's Ely Senior & Vice Principal of King's Ely

GCSE Results

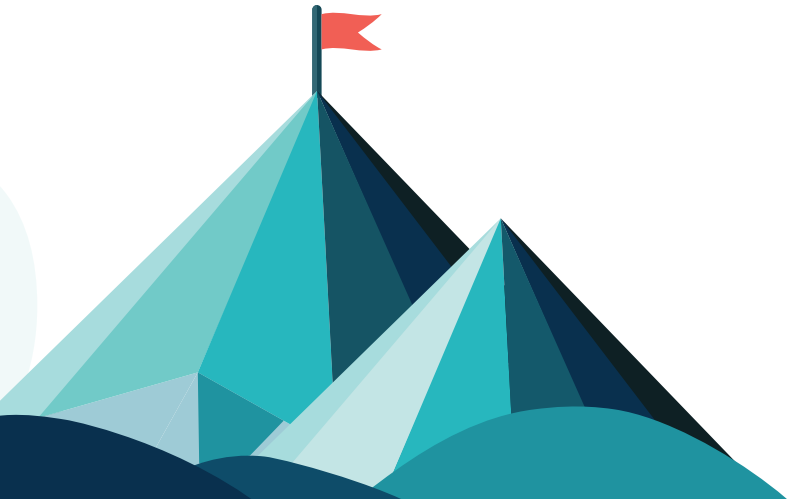

GCSEs provide an important platform for the years ahead, opening doors to new subjects and helping pupils discover where their strengths lie. This year's results showcase success across a wide range of disciplines, from the Sciences to the Creative Arts, reflecting the breadth of learning at King's Ely and giving pupils plenty to build on as they move into the next stage of their education.

OF ALL GRADES WERE 9-8 IN THE FOLLOWING SUBJECTS:

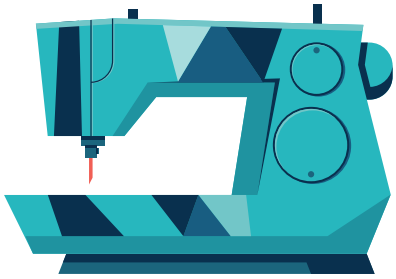

BIOLOGY, CHEMISTRY, PHYSICS, HISTORY, FINE ART, TEXTILES, CHINESE, DRAMA, 3D DESIGN, LATIN, MUSIC, RS

A-Level Results

With impressive results across the Sciences, Humanities, Mathematics and Creative subjects, this year's A-Level cohort has demonstrated the depth and diversity of talent at King's Ely. Standout performances in individual subjects highlight what can be achieved when pupils immerse themselves in the disciplines they love, preparing them to pursue their chosen fields with knowledge and conviction.

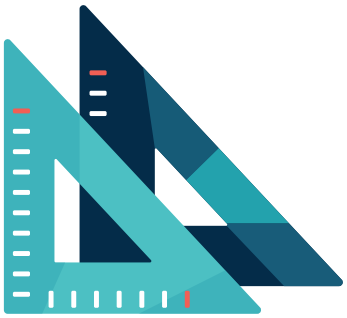

75%

of Textiles students achieved A*

60%+

of History & Politics students achieved A*-A

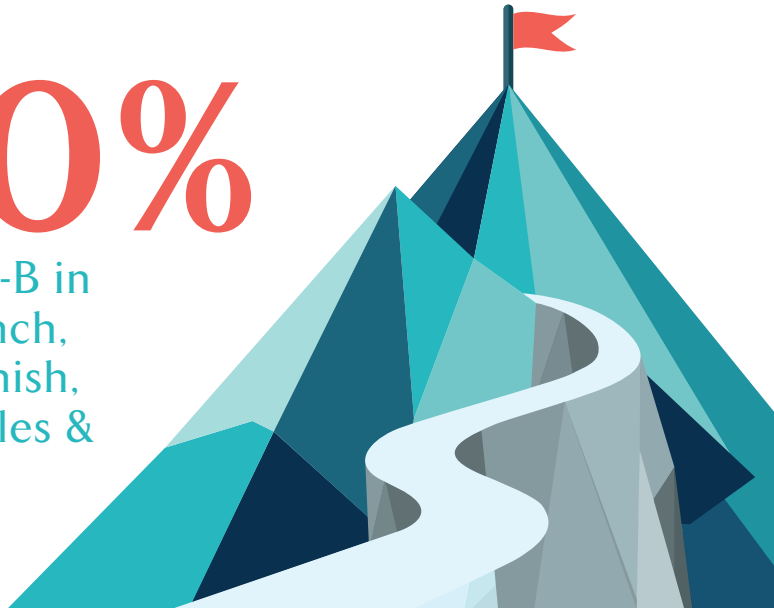

83%

of Maths students achieved A*-B

100%

achieved A*-B in Drama, French, History,Spanish, Music, Textiles & BTEC Sport

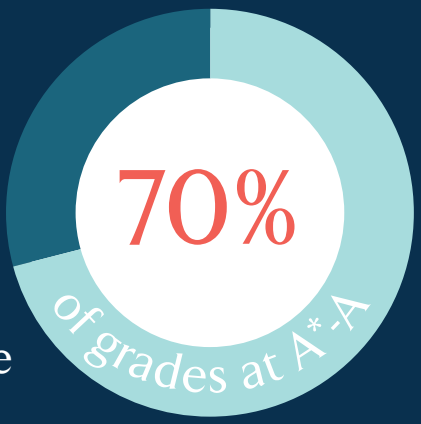

EPQ & HPQ

Beyond the classroom, our pupils have the freedom to follow their own questions, explore new ideas and delve deeper into subjects that inspire them. The EPQ and HPQ encourage independent research, original thinking and a spirit of enquiry, allowing pupils to take ownership of their learning and discover just how far their interests can lead. Increasingly, top universities are looking for a strong EPQ performance as an indicator of a high calibre student.

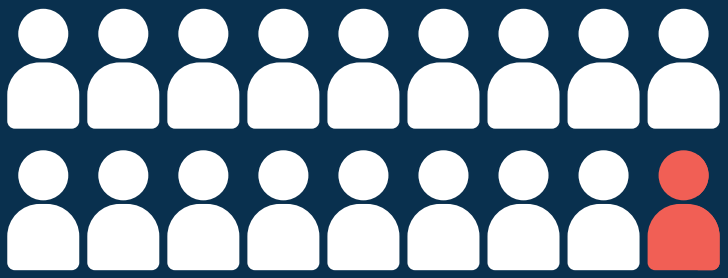

EPQ / Extended Project Qualification

35
students
took an EPQ alongside
their A-Level studies

HPQ / Higher Project Qualification

18
students completed
an HPQ alongside
their GCSEs

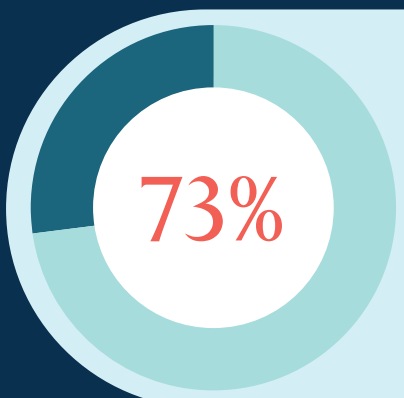

94%
A*

6 GCSE students completed an EPQ alongside their GCSEs, all of whom achieved A* grades.

Higher Education

From leading UK universities to exciting international destinations, our pupils are setting their sights on a remarkable range of opportunities. Their offers span diverse disciplines and institutions across the world, reflecting individual ambitions and a willingness to explore new horizons. We look forward to seeing where their next chapter takes them.
